

Garin SureStrike System Price List -- 11/2010

<u>Category</u>	<u>Item</u>	<u>Item #</u>	<u>Description</u>	<u>Price</u>
All SureStrike finishing reamers are produced by Pacific Tool and Gauge. Pricing is for high speed steel (HSS) type. Carbide reamers are available by special order - please call for pricing and availability.				
Reamers	17 Garin Reamer	17GR	17 Garin HSS Reamer	\$ 147.00
	20 Garin Reamer	20GR	20 Garin HSS Reamer	\$ 147.00
	22 Garin Reamer	22GR	22 Garin HSS Reamer	\$ 147.00
	6mm Garin Reamer	6GR	6mm Garin HSS Reamer	\$ 147.00
	25 Garin Reamer	25GR	25 Garin HSS Reamer	\$ 147.00

All SureStrike cartridges are identical except for neck diameter, therefore only a single set of Go/NoGo Gauges is necessary.				
Go/NoGo Gauges	Garin Go Gauge	GGG	Garin Go Gauge, Universal	\$ 23.00
	Garin No Go Gauge	GNGG	Garin No Go Gauge, Universal	\$ 23.00
	Garin Go/No Go Gauge Set	GGNGGS	Garin Go/No Go Gauge Set, Universal	\$ 45.00

All Garin caliber brass is individually sized, annealed, neck turned, trimmed and chamfered. Only new US produced cases are used.				
Finished Brass	17 Garin Formed Brass	17GFB	Garin formed brass (includes multi-stage forming, annealing, neck expansion and turning, final sizing, case trimming, and interior and exterior chamfering)	\$ 0.85
	20 Garin Formed Brass	20GFB	Garin formed brass (includes multi-stage forming, annealing, neck expansion and turning, final sizing, case trimming, and interior and exterior chamfering)	\$ 0.85
	22 Garin Formed Brass	22GFB	Garin formed brass (includes multi-stage forming, annealing, neck expansion and turning, final sizing, case trimming, and interior and exterior chamfering)	\$ 0.85

Commercial Brass	30 Carbine Brass	30CFB	30 Carbine factory brass, US made	\$ 0.25

All dies are produced by Hornady Manufacturing. Each 2-die set consists of a standard decapping / resizing die and a bullet seating die. Removing the decapping stem and button allows the sizing die to be used for the final forming of any given caliber.				
2-Die Reloading Sets	17 Garin Loading Die Set	17GRDS	Decapping, Resizing, and Bullet Seating 2 Die Reloading Set	\$ 135.00
	20 Garin Loading Die Set	20GRDS	Decapping, Resizing, and Bullet Seating 2 Die Reloading Set	\$ 135.00
	22 Garin Loading Die Set	22GRDS	Decapping, Resizing, and Bullet Seating 2 Die Reloading Set	\$ 135.00
	6mm Garin Loading Die Set	6GRDS	Decapping, Resizing, and Bullet Seating 2 Die Reloading Set	\$ 135.00
	25 Garin Loading Die Set	25GRDS	Decapping, Resizing, and Bullet Seating 2 Die Reloading Set	\$ 135.00

These dies are used for forming only and are normally used for intermediate sizing. Because they do not have decapping capability, and thus less parts, they are more economical.				
Forming Dies	17 Garin Sizing Die	17GSD	Sizing / Final Forming Die	\$ 65.00
	20 Garin Sizing Die	20GSD	Sizing / Final Forming Die	\$ 65.00
	22 Garin Sizing Die	22GSD	Sizing / Final Forming Die	\$ 65.00
	6mm Garin Sizing Die	6GSD	Sizing / Final Forming Die	\$ 65.00
	25 Garin Sizing Die	25GSD	Sizing / Final Forming Die	\$ 65.00

Each expander set consists of a High Speed Steel Mandrel and a 7/8x14 adapter for mounting in standard reloading presses. Only an expander for the final desired caliber is needed.
